

## MEALTIME ONLINE

Mealtime Online is a feature where you can check the daily lunch balance your child/ren's accounts, updates are posted every 20 minutes. For those parents that do not deposit on line, you can check to see if you student ate lunch or how much money is left on the account. A new feature was added last year, if you update your profile and check this option, it will send you an email notice when your child has a 'low balance'. You must opt in for this feature.

Go to: [www.mymealtime.com](http://www.mymealtime.com)

1. Create an Account name & password.
2. Select the State       $\longrightarrow$  School District       $\longrightarrow$  School
3. Enter your Child's name : (ie: John), then you must enter their Student ID # (6 digits), you can find this on their report card under their name (Pupil #)

At this time you can

Make Deposit: add money

View Details: to **check** your students **balance**.

If you have any questions or need additional information, please feel free to call the office @ 503-762-3670.

Thank you
