MISSION

All students will demonstrate high academic standards in an equitable, supportive school culture and graduate college and career ready.

COMMUNITY

Centennial is a school community bridging the cities of Portland and Gresham, Oregon. Downtown Portland, Portland International Airport and Mt. Hood Community College are all within a 20-minute drive.

A primarily suburban district with strong community support, Centennial has grown steadily and is expecting accelerated growth throughout the next decade. To meet the needs of the growth, the district completed a new elementary school and major renovation of Centennial High School in 2003.

SCHOOL COMMUNITY

Centennial High School

Centennial High School is a four-year comprehensive 6A high school serving approximately 1744 students. The school year is two semesters. The high school serves one middle school (7-8) and seven elementary schools (K-6).

Center for Advanced Learning (CAL)

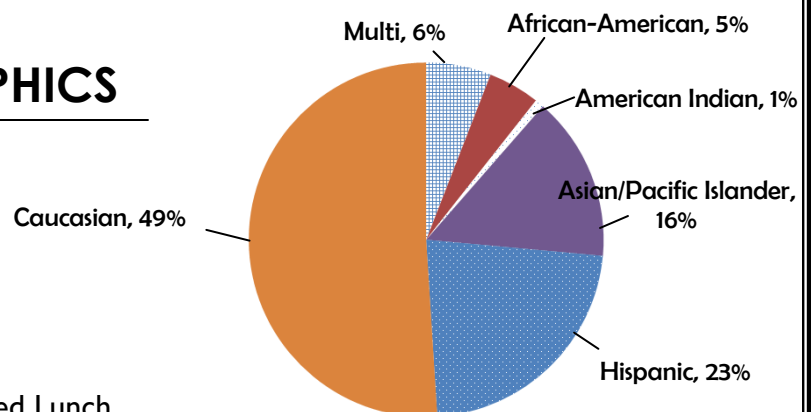

CAL is a collaboration of school districts where juniors and seniors take advanced project-based courses in five career areas: Dental and Health Sciences, Mechanical Engineering and Manufacturing, Computer Information Systems, Digital Media and Design, and CHANGElab@CAL (Leadership and Entrepreneurship).

GRADES & RANKING

The GPA calculation is generally unweighted.

A = 4.0 B = 3.0 C = 2.0 D = 1.0 F = 0

Students participating in Advanced Placement (AP) courses will have weighted grades in those courses based on a 5.0 point scale where an 'A' is equal to 5.0 points, a 'B' is worth 4.0 points, a 'C' is 3.0, a 'D' remains 1.0 and an 'F' is worth 0.0.
