

April 24, 2018

"The **track and field program** had a historic day Saturday at the 54th centennial invitational track meet. For the first time ever the Centennial Girls team won our prestigious invitational! Another historic accomplishment was that our Boys team finished 2nd overall in the same meet. Our Track Program was the top overall team Saturday. Please congratulate all our track kids for competing and hosting such a successful meet Saturday. The track staff also thanks all the volunteers who made this day special for our school and centennial community. "
